A35 BREBEMI

With Us, you can redefine the rules
of **Infrastructure**:
from **Impact** to **Opportunity** for
Nature

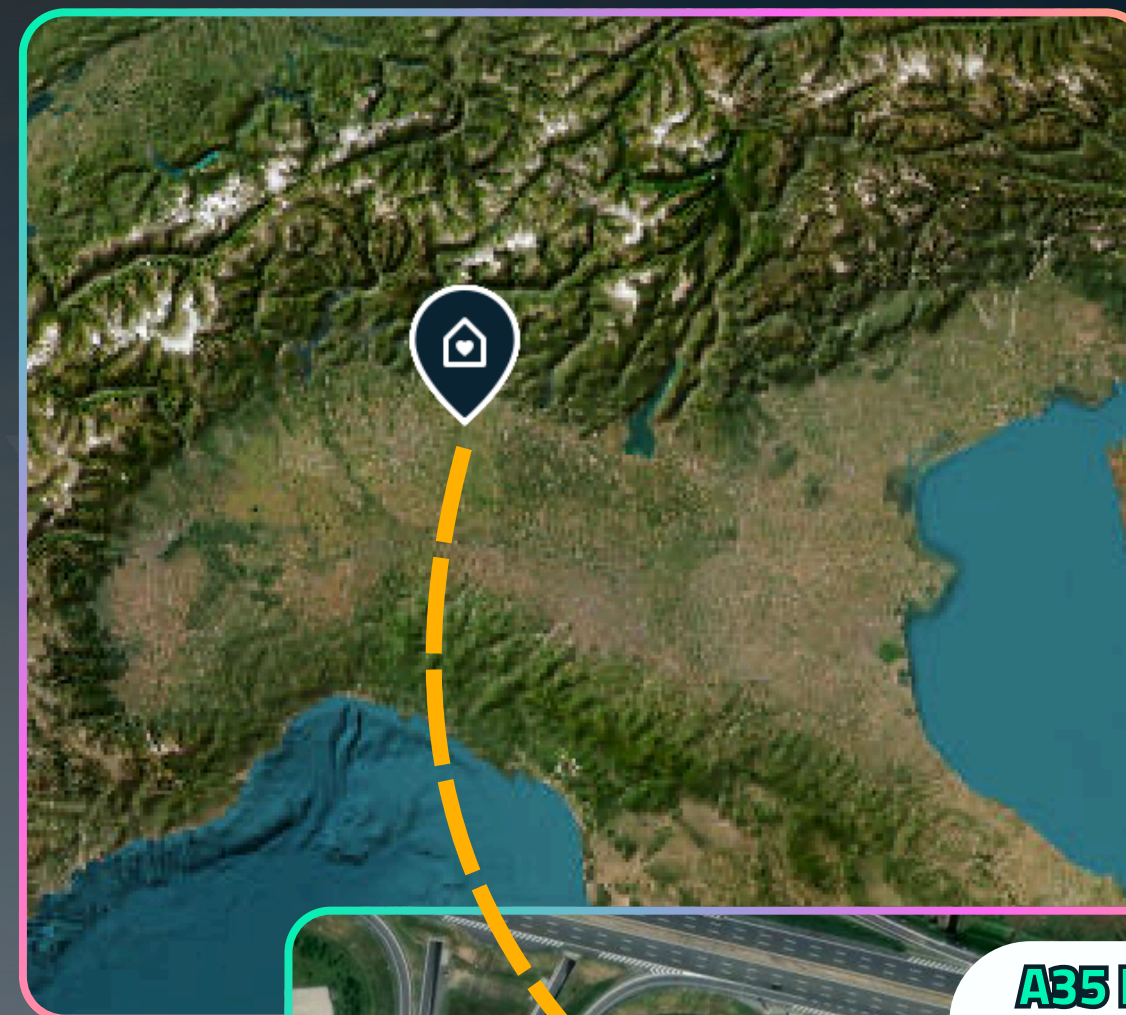

We Monitored the Entire A35 Brebemi Highway through Remote Sensing

Biodiversity Monitoring was Performed using IoT Sensors

Together, we
created a
Biodiversity Oasis
in a green area
along **A35**

Our Biodiversity Oasis

In this way, we
monitored
1.200.000
Pollinators
Within 479.06
Hectares
