

3Bee

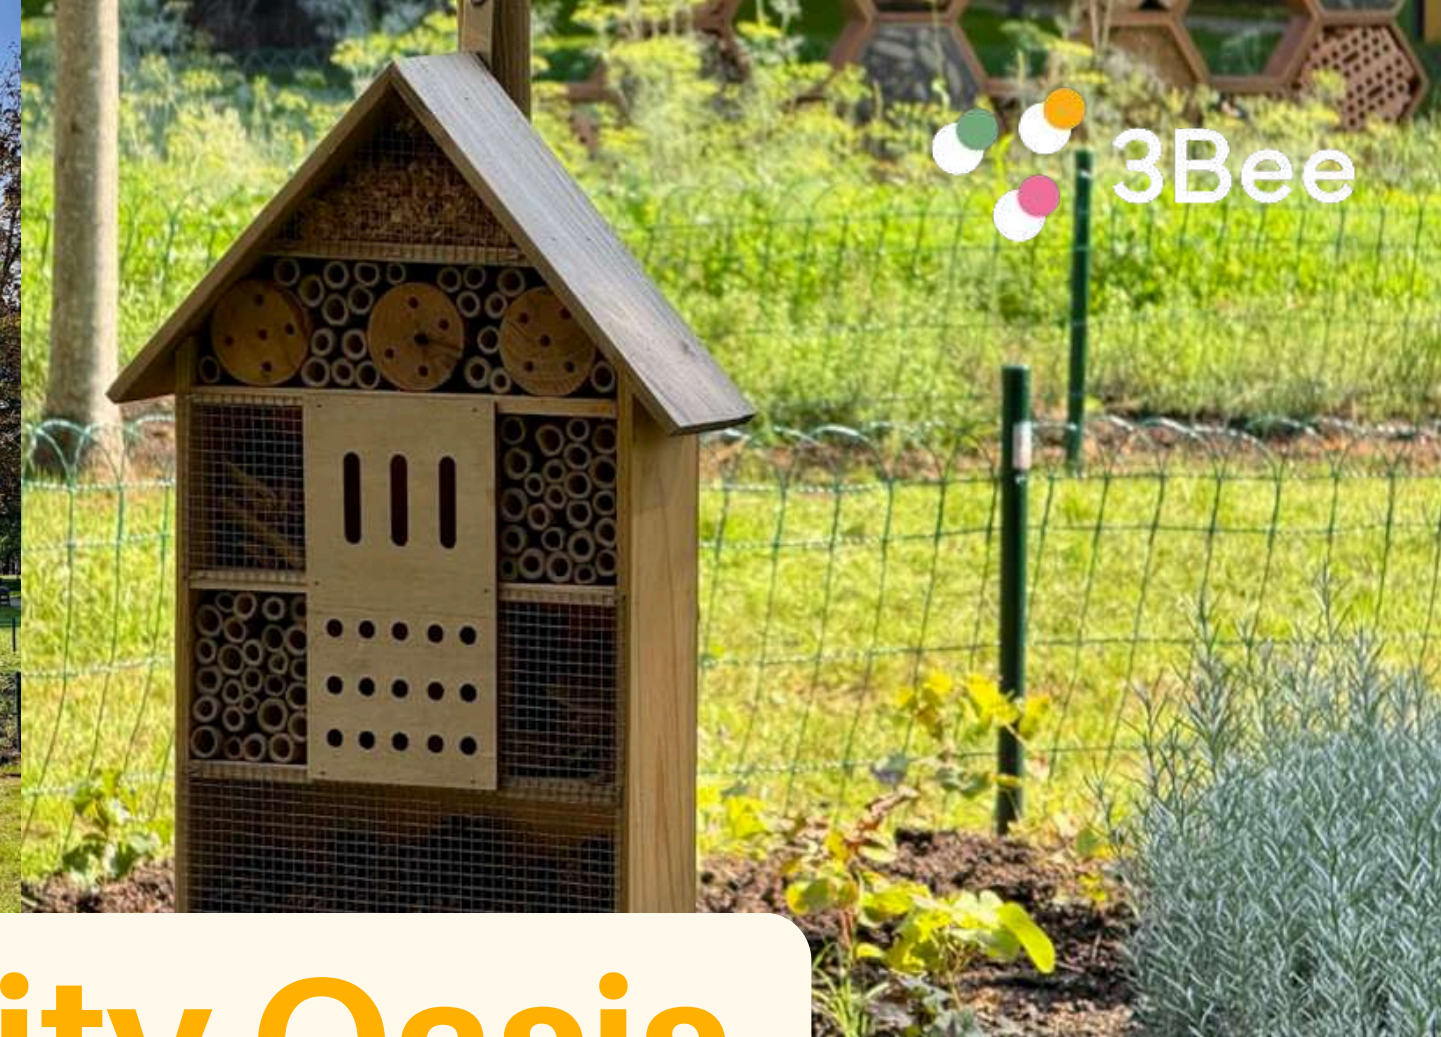

COMOLI
FERRARI

With 3Bee, you can
connect your Brand
to the **Community**
through meaningful
Biodiversity
Engagement

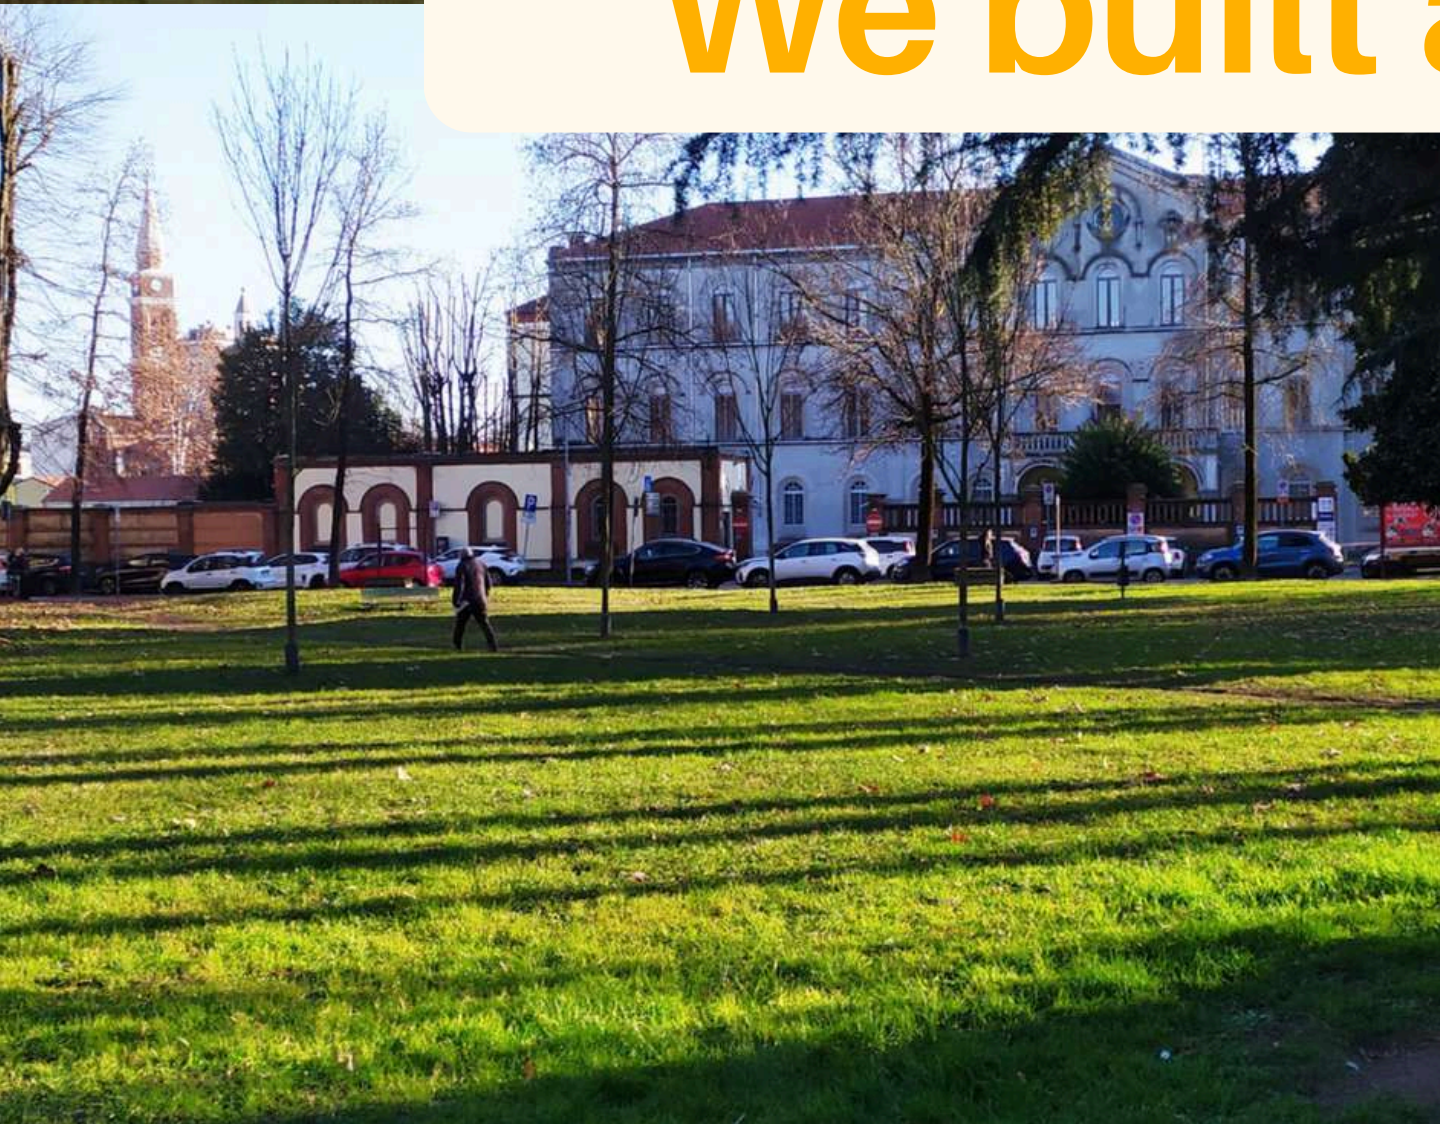

Together,
we Monitored
the **Novara Public
Park** through **IoT
Sensors**...

...and shared
the
experience
with the **Local
Community**

We built a Biodiversity Oasis

Here, we Monitored
600.000 Pollinators

Comoli Ferrari
contributes to study
Pollinators Diversity
based on their cluster
frequencies

Cat 190hz

Cat 122hz

Cat 205hz

Cat 235hz

Cat 115hz

Cat 130hz

Together, we involved 500 children in creative workshops inspiring biodiversity action
