

**NOVO  
NORDISK**

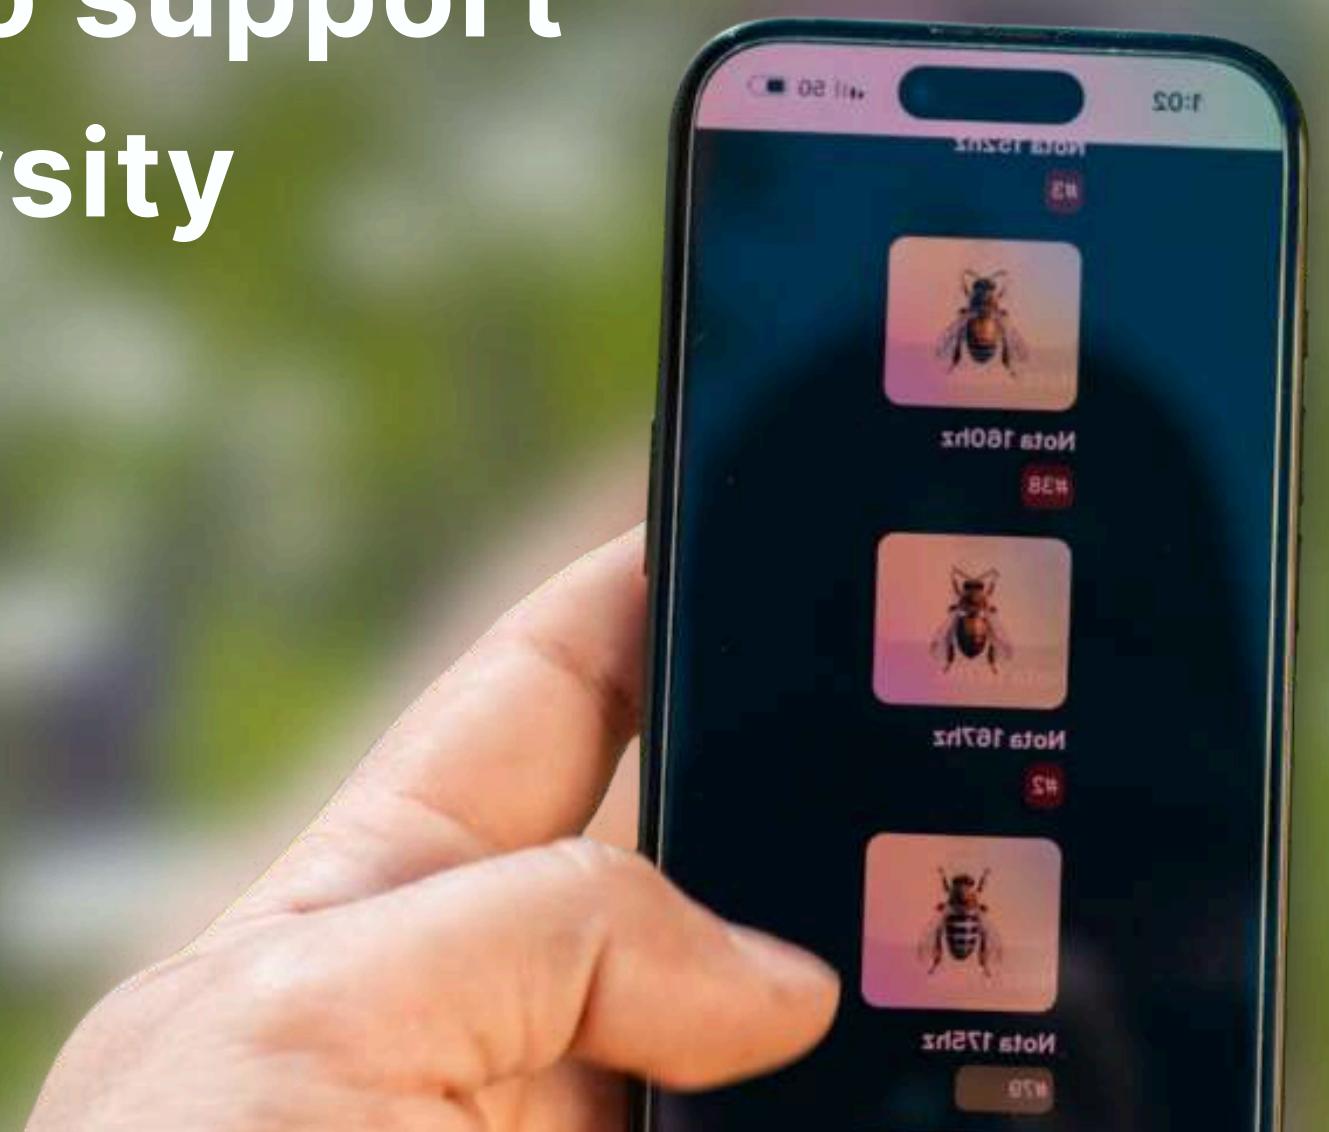

With us, you can  
transform your HQ into  
a living lab of  
**Biodiversity** for your  
**Employees**

We monitored the  
Biodiversity  
surrounding the  
**Novo Nordisk**  
**Italian**  
**Headquarter**

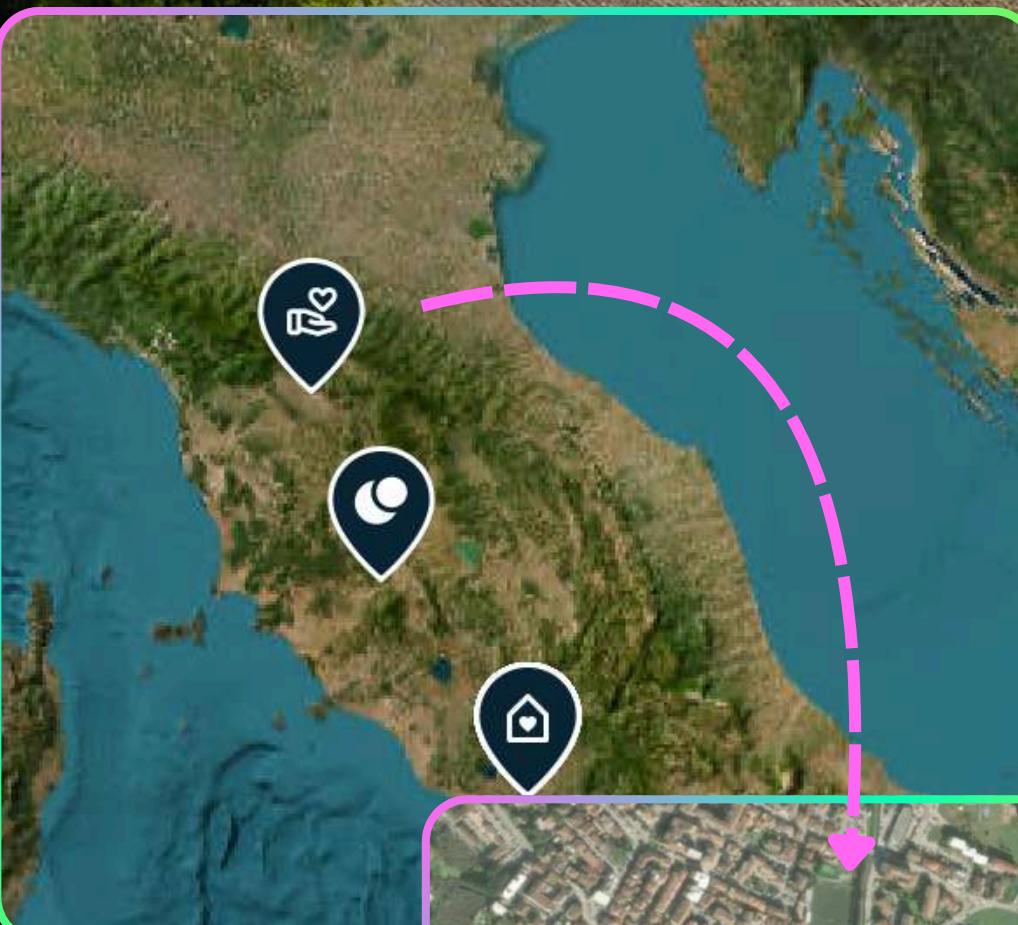

We installed IoT Sensors  
and we're panning on  
planting Nectariferous  
Plants to support  
Biodiversity

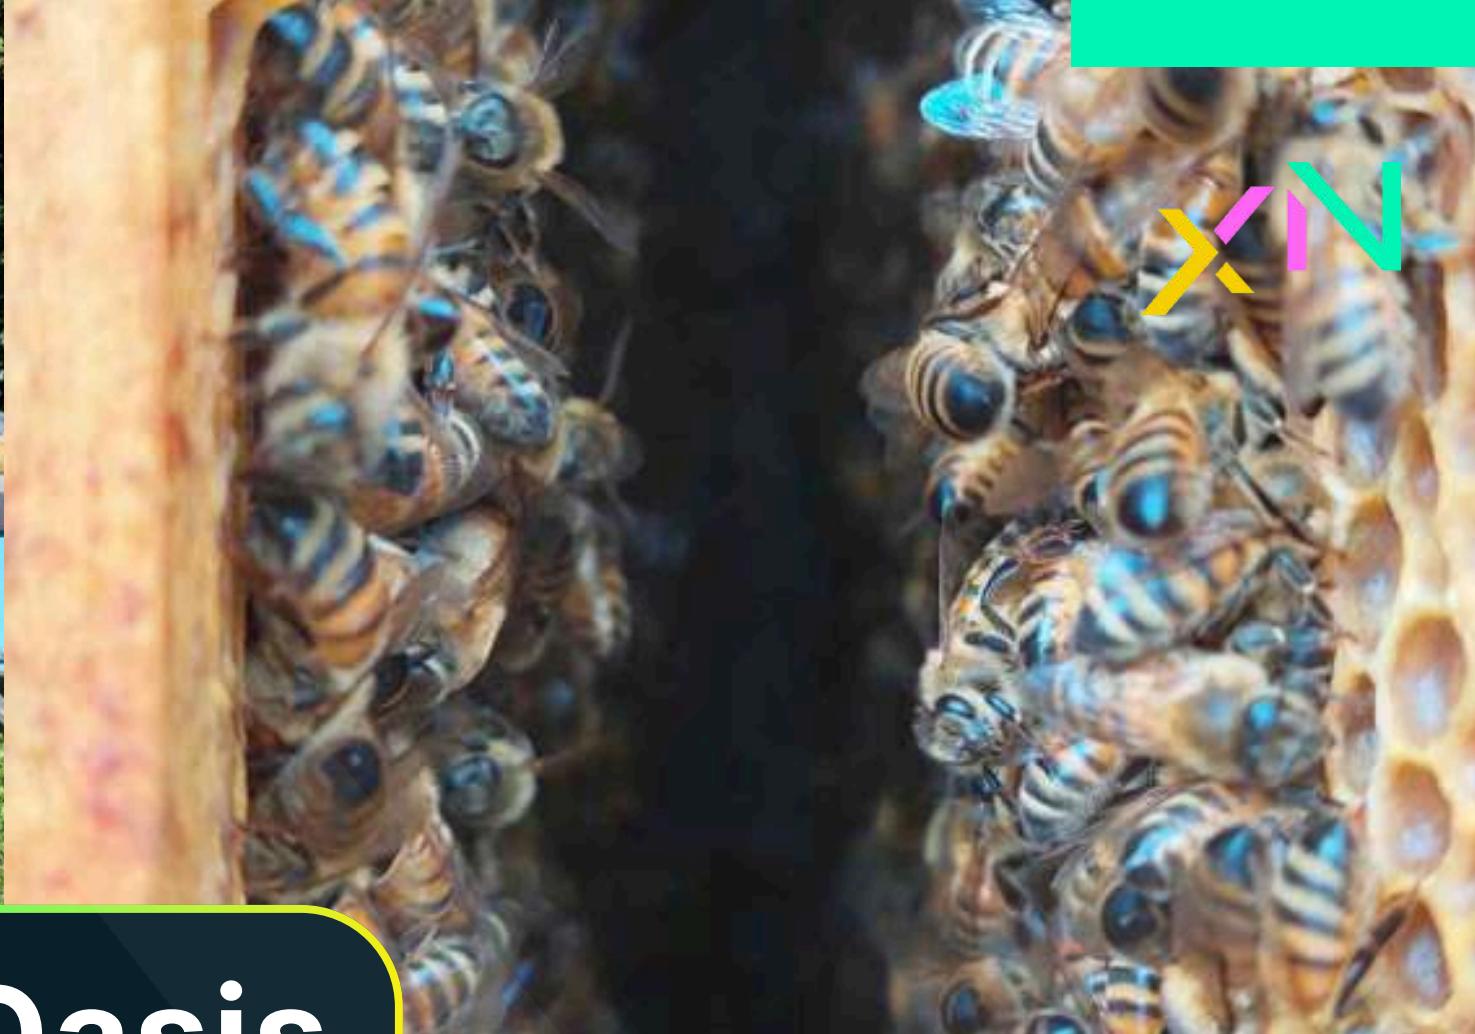

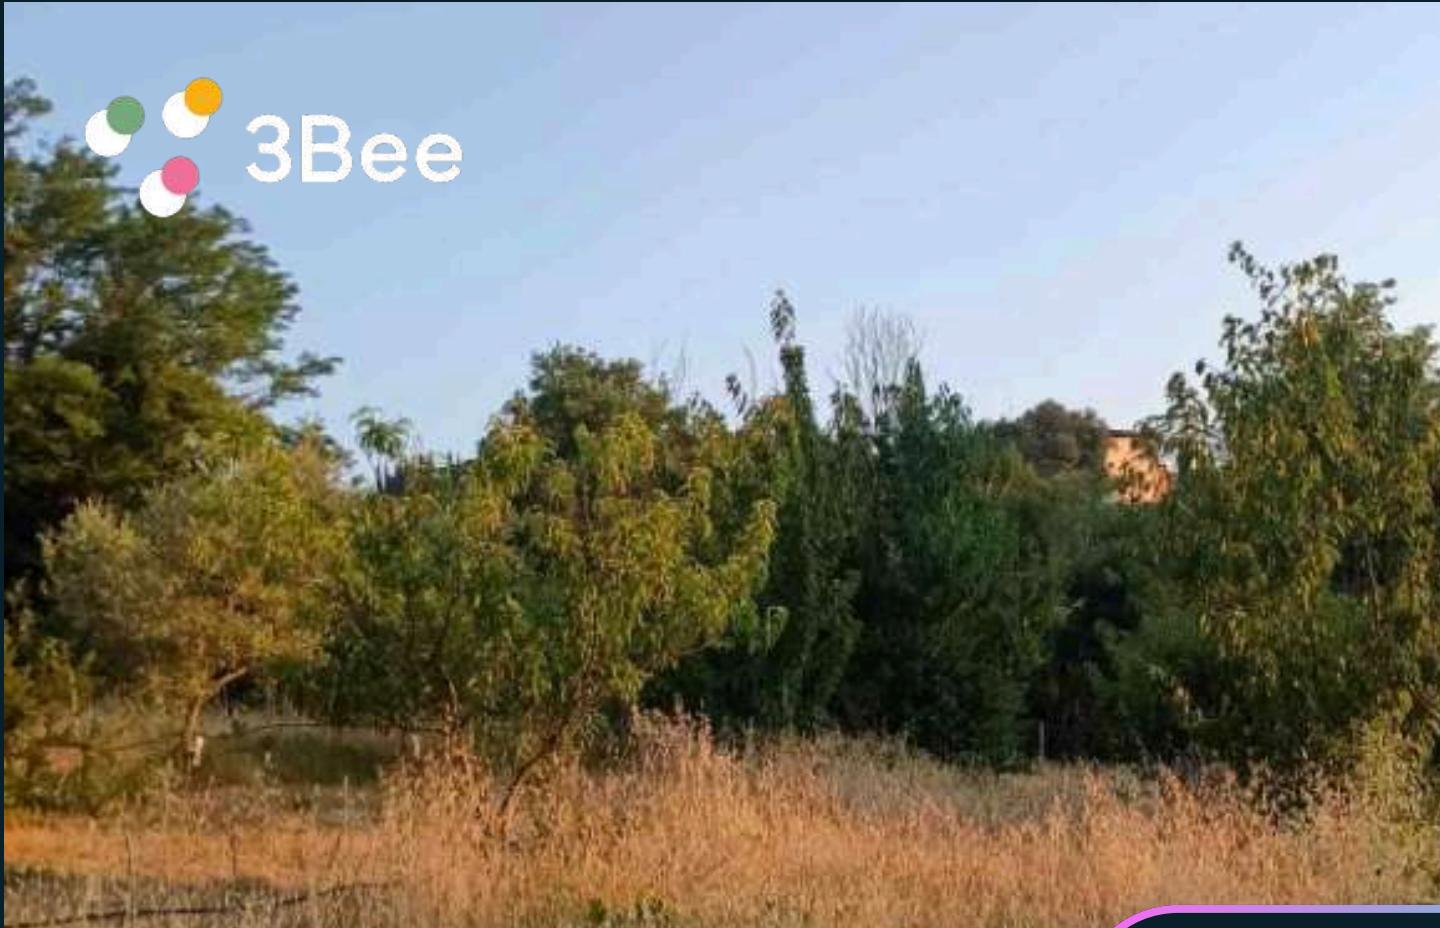

Together, we also  
created a  
**Biodiversity Oasis**  
in Tuscany

Here, we  
Monitored  
600.000  
Pollinators

## Our Biodiversity Oasis

We are Planning a  
Green Terrace to  
Promote Employees  
Wellbeing and  
Biodiversity
